

# Student Veteran of the Year

The Student Veteran of the Year award is presented annually by the Veterans Support Center to a University of Utah student veteran in recognition of academic, civilian, and military accomplishments. The awardee is selected by a committee of peers based on his/her academic achievement, service to the University or community, and military service. The honor consists of an engraved medallion presented at the annual Veterans Day commemoration and his/her name engraved on a plaque displayed in the Veterans Support Center.
