

WHAT WE DO

The VSC provides a “one stop shop” for student veterans to find services, support, advocacy, and camaraderie. The VSC office is manned by VSC, Registrar, Veterans Affairs, peer mentoring, and Career Services personnel.

WHO WE SERVE

We serve “student veterans,” which is a collective term used for students who are active duty, reserve, National Guard, traditional veterans who were not dishonorably discharged, and military spouses and dependents.

There are over 1,000 student veterans at the U. We have veterans from every branch of the military, and U Vets can be found in classrooms in every undergraduate and graduate college.

OUR MISSION

Our mission is to improve and enhance the individual and academic success of student veterans; to help them receive the benefits they earned; and to serve as a liaison between the student veteran community and the university.
